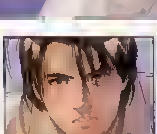
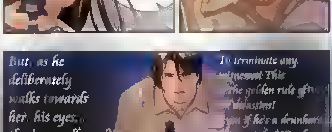
Don't come any closer

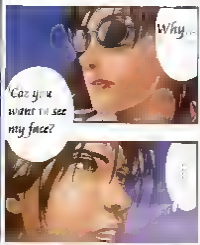




But, as he deliberately walks towards her, his eyes... they're totally unlike those she's seen in all her victims!!
To terminate any assignment. This is the golden rule of a assassin!
But if he's a drunkard, he can be NO other than...

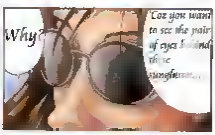
His eyes made her hesitate to pull the trigger!

Their petrified eyes cannot deviate from the gun that will take away their life.
Until now all who have stood before my gun...
have had their eyes fixed on this muzzle



Why...
Coz you want to see my face?

I'm a p...thetic actor...
Ha.. Haha!



Why
Coz you want to see the pair of eyes behind these sunglasses...

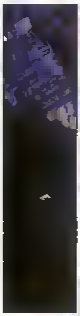
Hohahaho so what's in your mind the instant you kill? Your eyes as you pull the trigger?
the "as a matter of fact" disposition you hold killing a person.
No matter how hard I try it just ain't real! It's all phony!

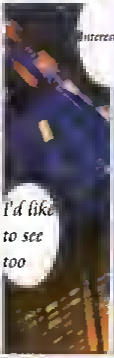
This time around I'm supposed to be playing an assassin
But ha... I can't hide it still mine STILL the only

I'm already Dead!
Idiot..
When you see my eyes you'll be dead.
So ...That's why you wanted to see my eyes
Take off your sunglasses
Take 'em off!!
Being an actor, I'm already dead!
If that's the case, I want to SEE the answer!

It's me when I'm killing

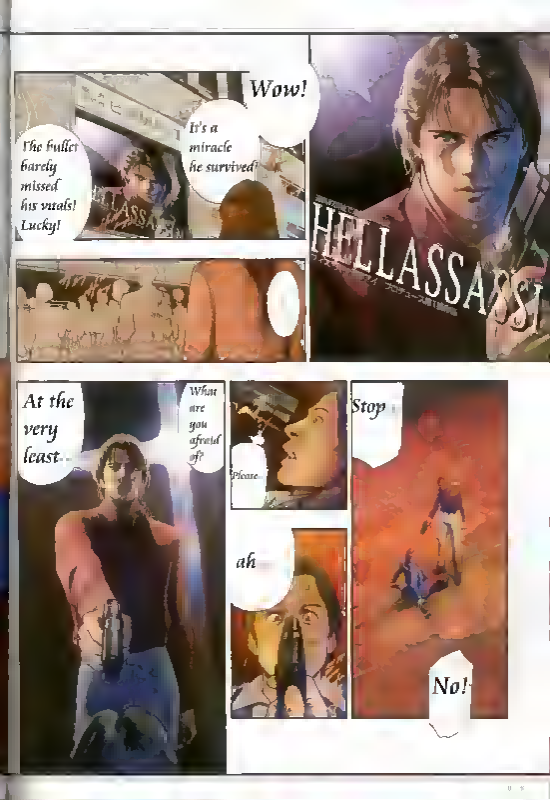
Month later...



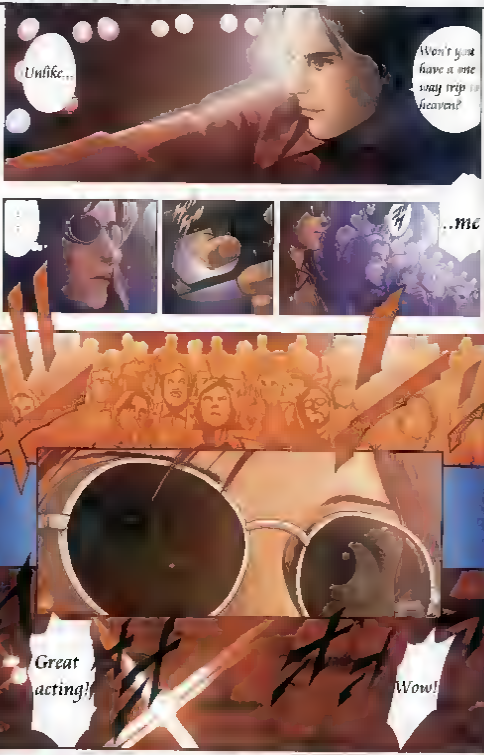


Interesting
I'd like to see too

BANG!



Wow!
It's a miracle he survived!
The bullet barely missed his vitals! Lucky!
HELLASSASSI
At the very least...
What are you afraid of?
Please
ah
Stop
No!



Unlike...
Won't you have a one way trip to heaven?
..me
Great acting!
Wow!
